Consult your owner's manual for complete installation instructions and proper clearances to combustible materials. Check all local and national building codes and gas regulations. All specifications are subject to change without prior notice due to on-going product improvements. Products may not be exactly as shown. Flame height and activity is influenced by varying vent configurations and may not appear as shown. Napoleon® is a registered trademark of Wolf Steel Group Inc. EnerGuide - A Canadian efficiency standard based on frequent, short start-up and cool-down cycles. All appliances sold in Canada are subject to this EnerGuide rating system. AFUE- A US efficiency standard (Department of Energy) based on extended on/off cycles, more typical of fireplace usage. Steady State - Reflects the highest possible overall heating efficiency.

CONTROLS

REMOTE: The included remote controls every function of your fireplace including; on/off, thermostat, flame, ember bed, top lights, and blower speed.

NAPOLEON HOME APP: With the Smart technology integration, controls extend past the capabilities of the included remote with the Napoleon Home App for ultimate convenience, including the ability to create your Favorite settings, set a schedule and choose from unlimited flame, ember bed and top light combinations.

SMART HOME SYSTEM: With the sound of your voice, easily control select fireplace settings through Google Home and Alexa devices.

WALL MOUNT REMOTE: Optional remote featuring black and white faceplates, ideal for commercial spaces.

INNOVATIONS

FLIP DOWN GLASS: Allows you to add or change your own media easily so you can customize your fireplace to suit your changing tastes, whether it's incorporating seasonal or special occasion décor elements, or simply switching up the look.

FLAME TECHNOLOGY: Featuring flame colors (orange and yellow) and stunning spark technology that mimics a real fire.

SMART TECHNOLOGY: Offers the ability to connect to your phone so you can easily and conveniently control every feature of the fireplace from anywhere, even when you're not home.
