**2 IN 1 FIREPLACE OR LANTERN CELESTIAL SERIES**

This unique and striking 2in1 design of these Anywhere Fireplace® OR Lantern series gives you the option to either use it as a GEL FUEL fireplace that will give you beautiful dancing flames OR use it as a lantern by switching out the cup for the candle holder (included). As a lantern, just insert a candle into the candle holder and lower it into the lantern body. Also, you can insert and wrap around fairy lights in the lantern body for a different and unique take on a lantern. Then, just flip up the handle and hang it up on a secure hook or place it on a table or floor to give you the romance of a flickering candle or the magical festive sparkle of fairy lights.

The striking hand woven, premium nickel plated wire and polished stainless steel designs of this fireplace OR lantern will make a dramatic statement whichever way you choose to use it and anywhere you will place it – indoors, but especially outdoors. It is ideal for formal occasions, such as weddings and versatile enough to create dazzle for other gatherings, such as birthday parties, holiday celebration or everyday décor.

**The high style,** distinctive Anywhere Fireplace® allows the ambiance of a fire to be enjoyed anywhere. All the Anywhere Fireplaces® models are have high style and distinctive design that are sure to match any décor. They are all ventless and require no chimney or gas line. They use clean burning, non-toxic, non-polluting ethanol fuel and may be used in indoor and outdoor, They emit only water vapor and Non-hazardous CO2 and create beautiful real dancing flames. Depending on the model of fireplace, it either uses a pourable liquid bio-ethanol fuel or a alcohol based gel fuel canister.

Anywhere Fireplace® adds a rich warm atmosphere to a bedroom, living room, den, dining room, patio, garden, deck, pool or anywhere you want. There are wall-mount models, floor stand models and a large selection of the very popular tabletop models. They are purchased for personal use, but they also make gifts

The Anywhere Garden Torches® are offered in matching ground and table top models, for use outdoors with citronella oil or lamp oil for wicked products.
