

Master Flame™ Sand Burner Series Fully Vented Gas Log Fireplace Systems

SAND BURNER

**Ships Complete
with Logset and
Installation Kit**

Get the flame and esthetic appeal of a real wood fire with the hand built Master Flame Sand Burner Gas Log System.

Solid, welded steel construction of the log grate and burner-pan look great and compliment the log set. Available in 20", 24" or 30" burner sizes.

Separate steel grate allows optimum gas log placement for most efficient and natural looking flame.

Master Flame log sets have greater detail, enhanced color and higher esthetic appeal and provide an alternative to harvesting and burning real wood.
