Everglow lamps and torches are built to last with solid all-aluminum bodies that stand up to the outdoor environment

Everglow Gas Lamps & Torches Add Reliability, Function and Elegance... to Homes or Businesses:

- Maximum eye appeal both night or day
- Increase safety and security
- Adds distinctive styling to any landscape or architecture
- Yellow spectrum of light does not attract insects

Beautiful Durable Finish

- Strict control is maintained throughout production
- The Epoxy powder-coat finish delivers the look and durability you expect

Heat-Treated Glass Panes

- The finest glass available, bringing the lamps to life when lighted
- Remove easily for cleaning

Cast Aluminum Construction

- Thick-walled solid cast aluminum provides greater strength, durability and finish quality
- Non-corrosive construction will not rust

Add Ambiance to Your Outdoor Room or Backyard!

By combining a distinctive style with the latest technology and quality materials our lamps bring reliability, function, and elegance to your home or business. Appealing both day and night they also provide increased safety and security for your outdoor space. Using Everglow Outdoor Gas Lamps will dramatically enhance the curb appeal and accentuate the landscaping. Each lamp in the Everglow lighting family is an attractive design that will stand-out on patios/decks, amid shrubs, around outdoor cooking areas, along walkways or around the pool.

All Everglow Outdoor Gas lamps are available in Natural or Propane Gas with burner options to meet your specific needs and can be pedestal or post mounted.

GAS LAMP BURNERS

Everglow Gas Lamps are available with two burner options–dual inverted or open flame–allowing you to create the dramatic effect you want for your outdoor space.

Dual Inverted Burner | Standard

Advantages

- The Dual Inverted burner offers the brightest illumination of all of our burner styles
- Good burner option for windy conditions
- Our dual mantles provide the same light output as a 75-watt electric bulb, but only uses the energy equivalent to a pilot light
- Reliable and secure. Works even when your power goes out keeping your outdoor areas lit
- Delivers a historic, romantic ambiance to outdoor entertainment spaces

Open Flame Burner | Optional

Advantages

- Imitates the original gas lamp look with a warm, flickering fish-tail flame
- Adds drama and romance to any outdoor setting, entrace or walkway
- Low-maintenance operation

Model #WK5A-NO

Shown mounted on an aluminum post (#POBAI) with an Open Flame burner and optional Ladder Rest (#LR).

CAST ALUMINUM POST MOUNT LAMP HEADS
