

# BUCK USA

## FOR BACKYARD, CABIN, OR CAMPGROUND!

### SMOKE-LESS FIRE PIT

The "16 Inch Smoke-Less" Stainless Steel Firepit is built to last because it's proudly made in the U.S.A. Enjoy the great outdoors with this clean burning smoke-reducing design – Better for the environment and your neighbors! Lights like a regular firepit with the smokeless benefit. Made in the U.S.A. to withstand the elements from rugged and durable stainless steel. Always check local fire regulations and municipal by laws to ensure your fire pit meets local standards.
