

## Tahoe Direct-Vent Fireplaces

### Premium Clean-Face Multisided Series

#### Peninsula and See-Through

Premium Clean-Face Direct-Vent See-Through Fireplace, Rustic Brick with Soldier Course Liner, and Campfire Logs, installed in Custom Stone Surround

White Mountain Hearth – The Pinnacle of Efficiency

# Tahoe

## ■ A Great View from Any Angle

The versatile Tahoe Clean-Face multi-sided fireplaces open new dimensions in beauty, features, and installation versatility.

A Peninsula fireplace projects warmth and beauty into a large room – helping define the space with an attractive and functional visual break.

A See-Through fireplace – installed between two rooms or in a divider wall – helps tie adjoining spaces together to create a more open, airy feel.

Both multi-sided fireplaces are rated at 34,000 Btu (Nat) / 32,500 Btu (LP).

## Premium Clean-Face See-Through

*Premium Clean-Face  
Direct-Vent See-Through  
Fireplace, Rustic Brick  
with Soldier Course Liner,  
and Campfire Logs, Installed in  
Custom Stone Surround*

## Versatile Installation, Multiple Accessories

Both Peninsula and See-through models feature an attractive clean-face design that integrates the barrier screens into the fireplace – flush with the fireplace face – allowing you to install tile, brick, or other non-combustible materials right up to the fireplace opening.

Choose between the hand-painted Campfire Logs or Mixed Logs and Stones to customize your fireplace.

The optional decorative doors and fronts let you finish your new fireplace in the look that suits your décor.

# Options & Accessories

## Modern Technology – Multiple Control Options

Your Peninsula or See-Through Tahoe Clean-Face Fireplace is available in Millivolt – with a standing pilot for simple, reliable operation all winter long. Or choose our energy-saving Intermittent Pilot ignition. The IP system includes battery backup to operate in a power outage and can switch to a standing pilot to warm your home during an extended power failure. Both the Millivolt and IP systems work with our control accessories – from a simple on/off remote to a thermostat to a programmable thermostat remote.

*FRBTP Programmable  
Remote Control  
Millivolt or IP*

*FRBC  
Remote Control  
Millivolt Only*

*FRBTC Thermostat  
Remote Control  
Millivolt or IP*

*RVKP or RVKN  
Remote Control  
IP Only*

*TRW  
Wall Thermostat*

*TMV  
Wall Thermostat*

*FWS  
Wall Switch*

## Installation Requirements

Includes non-combustible board for installation above the fireplace. Additional non-combustible materials may be required. See installation manual.

# Options & Accessories

## Liners

For Premium Clean-Face Tahoe multi-sided fireplace models, choose a hand-painted ceramic fiber liner in Rustic Brick with Soldier Course, or Fluted Black. Or select a Black Porcelain liner to enhance the illusion of flame and depth.

*Rustic Brick with Soldier Course*

*Black Fluted Liner*

*Black Porcelain*

## Decorative Fronts & Doors

*Rectangle Front, shown in Oil-Rubbed Bronze*

*Alexandra Doors, Brushed Nickel with Matte Black*

The available lighting kit draws attention to the intricate details in the log set and liner – even when no fire is burning. Enhance heat distribution with the optional variable-speed blower. Both the light and blower include a rheostat control.

*Optional Variable-Speed Blower*

### Warranty for All Models

**10-year limited warranty on combustion chamber, limited lifetime on glass.**  
**All other parts carry a three-year limited warranty.**  
**All remote controls carry a one-year limited warranty.**

Note: Empire is committed to continuous product improvement; specifications are subject to change without notice. Dimensions in this brochure are approximate; read and follow the framing dimensions in the owners manual supplied with your Empire product.

All direct-vent fireplaces manufactured after January 1, 2015, must be installed with a barrier screen to prevent accidental contact with hot glass. Depending on the fireplace model, the barrier screens are available separately or incorporated into decorative fronts. See Owner's Manual for details.

Refer to your Owner's Manual for complete installation and safety information.

### Gas Inlet

Type of Gas (State on Order)	Natural or LP
Iron Pipe Size (N.P.T.)	1/2 inch
Ignition Systems	Standing Pilot/Piezo or IP
