

MARQUIS II SERIES

Direct Vent Gas
Fireplaces

IntelliFire™ Touch Ignition System IntelliFire Touch is the most advanced and intuitive IntelliFire system, making operating your fireplace simple, smart and safe. Select the wireless wall switch or touchscreen remote control for the solution that fits your life.

Direct Vent Technology Direct Vent gas inserts remove 100% of combustion exhaust and fumes to the outside of the home. These sealed fireplaces provide optimal heat, conserve energy and ensure clean indoor air quality.

U.S. Efficiencies

AFUE

AFUE rating is more typically used with appliances, like your furnace, that continually cycle on and off to maintain a constant temperature.

Canada Efficiencies

EnerGuide (CSA P4.1-02)

EnerGuide is the official Government of Canada mark associated with the labelling and rating of the energy consumption or energy efficiency of specific products.

RATING	Marquis II 36	Marquis II 42	Marquis II ST 42
AFUE	56.7% (NG) / 51.9% (LP)	66.7% (NG) / 66.4% (LP)	60.5% (NG) / 63.9% (LP)
EnerGuide (CSA P4.1-02)	57.0% (NG) / 56.5% (LP)	66.4% (NG) / 67.7% (LP)	62.0% (NG) / 64.3% (LP)

Limited Lifetime Warranty¹

The strongest in the industry, Majestic provides a limited lifetime warranty on the most important aspects of our gas-burning products: firebox and heat exchanger.

1: For full warranty details go to majesticproducts.com. The information provided in this literature is for planning purposes only and subject to change. Please consult the installation manual for actual installation. Actual product appearance may differ from product images. Fireplace, stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away. Cover: Marquis II 42" with firescreen front in bronze, and tavern brown herringbone interior

Fill your home with comfort.

Move heat where you want it

Heat-Zone™ Technology

Draw heat from your fireplace to another room in your home. Redirect up to 50% of the heat, while reducing wall temperatures above the fireplace.

Heat Duct Technology

Send the warmth from your fireplace to the rest of your home via the furnace ductwork. Redirect up to 50% of the heat, while reducing wall temperatures above the fireplace.

Heat Out Technology

Draw heat from your fireplace and direct it outside. Redirect up to 40% of the heat while reducing wall temperatures above the fireplace.

Install virtually anywhere

Power Venting Technology

Fireplaces aren't just for exterior walls. A fan-powered accessory with slim venting can zigzag throughout your home – up, down, over or under – making it possible to install a gas fireplace virtually anywhere.

Marquis II 36" with firescreen front in pewter, and reflective black glass interior

Control your comfort

IntelliFire™ Touch RC400 touchscreen remote

A large LCD screen and simple navigation provide easy operation. Feel confident knowing alerts and notifications will appear when needed. The RC400 acts as a thermostat and can be used as a remote, or docked on the wall.

Features: on/off, flame height adjustment, lights adjustment, thermostat mode, room temperature readout, child lock, timer mode, automatic battery backup, cold climate mode, power vent, wall docking station. Lights and power vent are dependent on your fireplace.
