

Monessen Artisan Series Vent Free Gas Fireplaces

UNIQUE. CONTEMPORARY. VERSATILE.

Get the ambiance of a fireplace,
both indoors and out,
with the Monessen Artisan Series

Available in single-sided and see-through models, these vent free gas fireplaces are one-of-a-kind, forever changing how you look at hearths.

ARTISAN SEE-THROUGH

Artisan See-Through shown with Black Texture face and Diamond fireglass

The Artisan see-through brings the ambiance of a fireplace to both indoors and out. The Artisan see-through enhances your fireside experience, linking the interior and exterior of your home with clean, contemporary lines and gorgeous flames.

Choose how you want to enjoy the hearth. Position your fireplace indoors to enjoy from two rooms at once, or install on an exterior wall for a unique design and unmatched views. Shimmering fireglass and multicolored LED lighting create a spectacular centerpiece whether burning or not. Finish your fireplace with a variety of options to make it your own.

Features

- No chimney or venting required makes installation fast, easy, and affordable
- Artisan See-Through can be installed on an interior wall or an exterior wall, extending your living space to the outdoors
- High-contrast, brilliant LED lighting and shimmering fireglass accentuate the flames
- Enjoy comfort efficiently with the IntelliFire® Plus Ignition System
- Available in 42" model
- Up to 37,000 BTUs

Cover: Artisan 60 with Veined Copper face

ARTISAN 60

The Artisan 60 adds long, lean heat to your space with sleek lines, elegant lighting and dancing flames. This stunning linear fireplace can be added nearly anywhere, warming your home with 99.9% efficiency and can be customized with multiple options to fit your space. The final touches are the reflective black glass panels, shimmering fireglass, multicolored LED hearth lighting and dome accent lighting that transform this sleek fireplace into an eye-catching show.

SINGLE-SIDED

Artisan 60 with Black Texture face, and standard Sapphire and Diamond fireglass

Features

- No chimney or venting required makes installation fast, easy, and affordable
- Reflective black glass panels multiply the flame appearance
- Flames rise through shimmering Diamond and Sapphire fireglass
- Multicolored LED hearth lighting and dome accent lighting create a showpiece even when the unit isn't burning
- Enjoy comfort efficiently with the IntelliFire Plus Ignition System
- Up to 38,000 BTUs
- Available in 60" model

Full function remote included

ARTISAN 42 SINGLE-SIDED

Artisan 42 with Black Texture face, driftwood log set and Diamond fireglass

The Artisan 42 single-sided fireplace brings the contemporary beauty and warmth of a linear model to your smaller room. Glittering fireglass media, flame alive with movement, and clear hearth and dome lighting all combine to make a masterpiece. The Artisan adds a statement to your room either installed with standard features, or customized with multiple add-on options. With no venting required, it won't take long to upgrade your home with this lovely linear fireplace.

Features

- No chimney or venting required makes installation fast, easy, and affordable
- Flames rise through shimmering Sapphire and Diamond fireglass
- Clear hearth lighting and dome accent lighting standard
- Enjoy comfort efficiently with the IntelliFire Plus Ignition System
- Full function touchscreen remote
- Available in see-through model
- Up to 37,000 BTUs
