

PATIO HEATER VINYL COVER

Model #uw | MFG: HF-2176-M

Durable, weather resistant, fully lined vinyl cover with zipper pull. Fits outdoor LPG heaters with up to 3" reflectorhoods.

Assembly: Screw the metal rods together to create one piece. Insert into the slot located parallel to the zipper. Ensure that bottom portion of the rod is inserted into the pocket to keep it in place.

WARNING: Fabric covers can act as a "sail," increasing the likelihood of a heater falling over in windy conditions. When a heater is not in use, it is strongly recommended to store it in a location protected from wind. Damage to this vinyl cover or to any product covered by this vinyl cover is not subject to either product's warranty.
