

FIRE RINGS

FIVE METAL DESIGN

FIVE METAL DESIGN, by P&D Metal Works, is a family owned and operated artisan metal company based in Neenah, WI. Founded in 1998 by Kim "Pooch" and Diane Pruchnofski, the company initially started with a focus on quality unique garden art. By 2004, all three of their children, John, Kirk and Teri, became involved with the company full-time to put the five in Five Metal Design. Today, the company has grown to a 32,000 square foot facility, allowing us to better serve our customers. With our talented artists and metalsmiths, we are able to listen to your needs and create a unique design that fits your personality. We take great pride in our work and are confident that our products will inspire the same pride in our customers' homes, businesses, and communities.

When you purchase a product from Five Metal Design, you are supporting a **FAMILY OWNED** company that designs and manufactures original, **HIGH QUALITY** products right here in the Midwest. All products are fabricated with locally purchased **SUPERIOR MATERIALS** to guarantee a piece you'll be sure to cherish for years to come. We offer **CUSTOM DESIGN** options to fit your look and needs. Our **UNPARALLELED CUSTOMER SERVICE** will be there to assist and guide. We strive to exceed our customers' expectations and understand that strong relationships are the backbone of any successful company.

12" TALL TRADITIONS FIRE RINGS

Available In | 30" Diameter | 37" Diameter | 48" Diameter | 60" Diameter

Five Metal Design's 12" Tall Traditions Fire Ring Collection is fabricated with high quality, heavy duty 12 gauge steel. With multiple sizes and intricate designs, you will be sure to find something that fits your personality. Multipiece construction and easy assembly makes it convenient to transport or store your fire ring. Compared to our competition, you will not only see the difference, you will feel it. Our fire rings weigh up to 3 times more than other comparable products on the market. Five Metal Design Traditions fire rings make the perfect gift for any occasion. Proudly handcrafted in the USA, Five Metal Design ensures quality craftsmanship that you will cherish for years to come.

- Numerous applications
- Quick and easy assembly with included hardware
- Mild Steel that will oxidize to a rustic finish
- Proudly handcrafted in the USA
- 12" Tall Round: 12 Gauge Steel
- 16" Tall Round: 14 Gauge Steel
- Square: 12 Gauge Steel

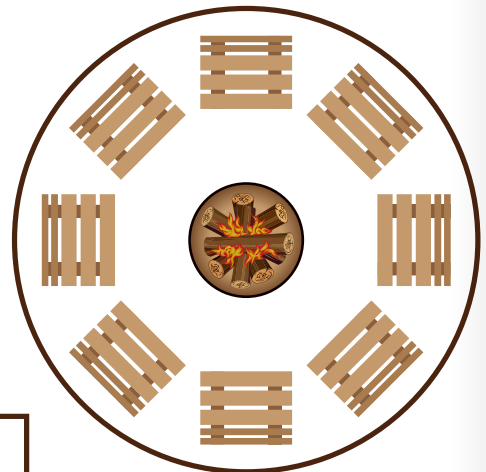

**Approximate Weight*

CHAIR LAYOUT

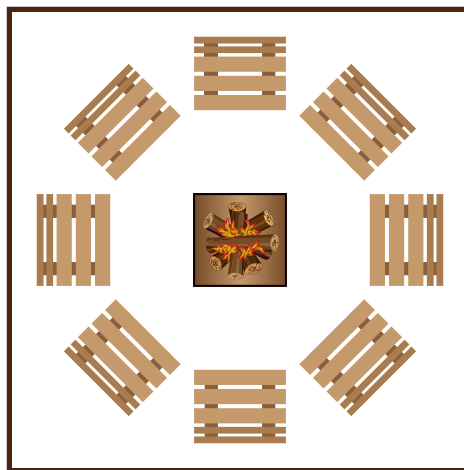

Estimated number of chairs that will fit around each size Fire Ring.

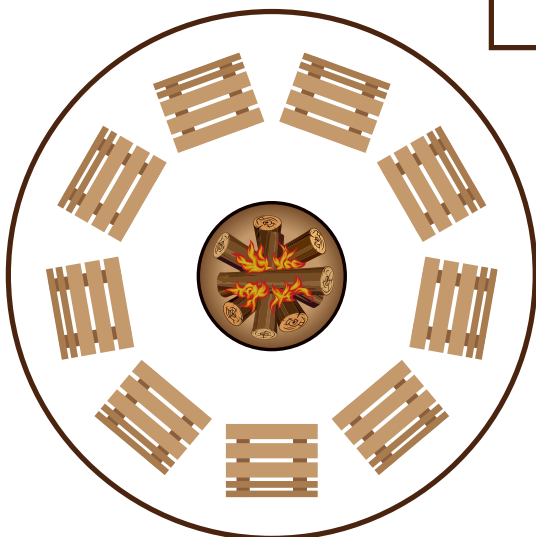

30" DIAMETER
Fits 7 chairs*

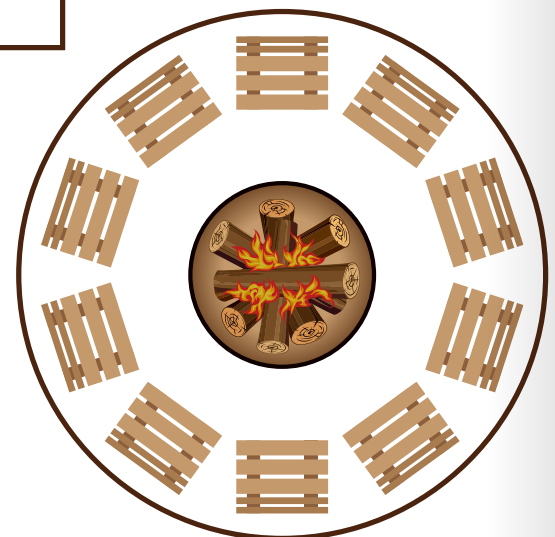

37" DIAMETER
Fits 8 chairs*

30" SQUARE
Fits 8 chairs*

48" DIAMETER
Fits 9 chairs*

60" DIAMETER
Fits 10 chairs*

*The number of chairs are estimated, based off of the following measurements: Chairs are drawn at 30" wide by 24" deep, in reference to fire rings. Distance from front of chair to fire ring is approximately 24". Approximately 5"-7" between the arms of chairs at narrowest point.

PERSONALIZED FIRE RINGS

Available in all sizes.

Make your Fire Ring more than one of kind by having it personalized. Add your last name, special date, or anything you would love to talk about around the fire pit.

This makes the perfect gift for weddings, housewarmings, or your own backyard!

Standard number of panels personalized, for each size:

- 30" Diameter: 1 of the 3 panels personalized
- 38" Diameter: 1 of the 3 panels personalized
- 48" Diameter: 2 of the 4 panels personalized
- 60" Diameter: 2 of the 5 panels personalized
- 30" Square: 2 of the 4 panels personalized

More panels may be personalized upon request, at no additional cost.

Characters may be limited or words stacked due to space restrictions, approval images can be requested before completion.
