

Installation Instructions

PROTECTION DE PLANCHER EN COIN 54" / 60" 54" / 60" CORNER HEARTH PAD

AC02789 / AC02790

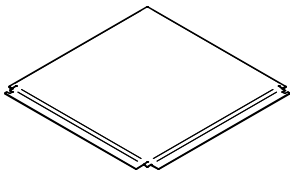

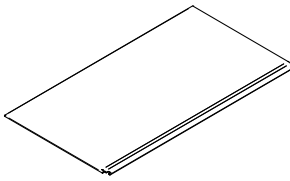

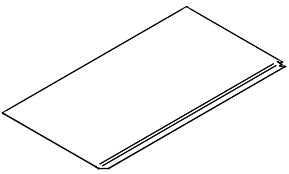

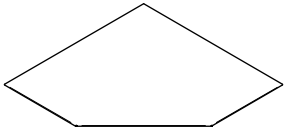

1. Application

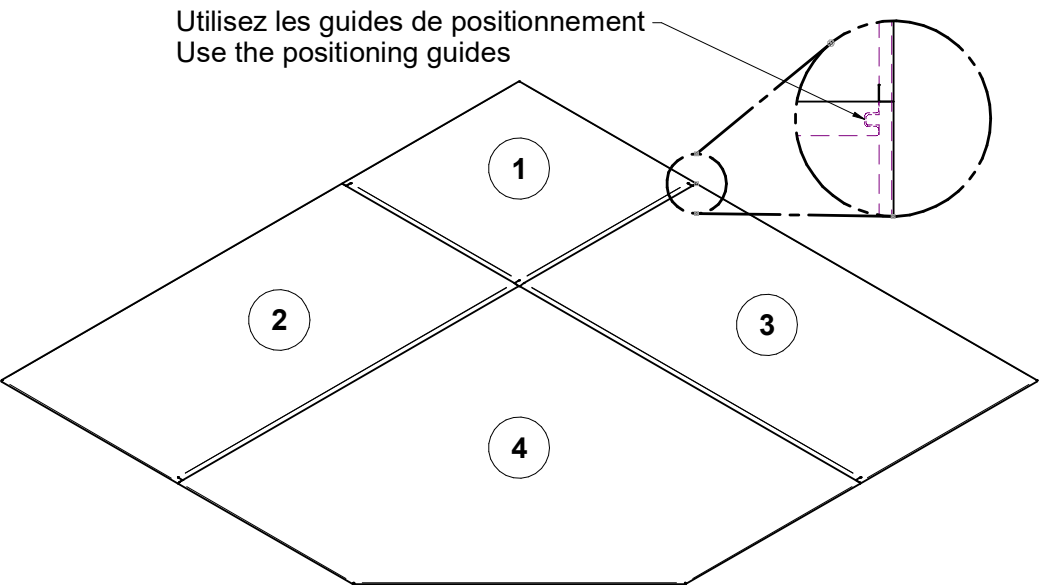

Protège efficacement les planchers combustibles des tisons chauds susceptibles de tomber des appareils lors du chargement. Choix idéal pour les appareils qui ne requièrent aucun facteur R.

Effectively protects combustible floors from hot embers that may fall off the stove during loading. Ideal choice for stoves that do not require an R factor.

2. Contenu du kit / Kit Contents

			
Protection coin arrière Rear hearth pad	Protection côté gauche Left side hearth pad	Protection côté droit Right side hearth pad	Protection avant Front hearth pad
