

TRILLIANT SERIES

Gas Inserts

New Product Introduction

Trilliant 35" shown with Mission front in new bronze and Canyon Brown interior.

EVERYTHING YOU WANT

A perfect combination of standard features, optimal function and stylish options.

EFFICIENT HEAT

Heat tube technology and variable speed fan produce faster, warmer heat.

EASY CONTROLS

Touchscreen remote and app compatibility.

Product Features

- Oak style hand painted logs (seven logs for 25" and 30" inserts; eight logs for 35" insert)
- Four front designs, plus inside fit front
- Accent lights (30" and 35" sizes)
- Canyon Brown brick interior
- Three surround sizes in two colors (Black Metal and New Bronze)
- Black reflective glass interior (optional)
- Ceramic glass
- Available in NG and LP SKUs
- Up to 35,000 BTUs
- Steel tube heat exchanger
- Fan
- IntelliFire Touch® ignition system with touchscreen remote control
- IntelliFire® app and voice control (optional)

Dimensions are in inches and millimeters. Product information is not complete and is subject to change without notice. Product installation must adhere strictly to instructions shipped with product. We recommend measuring individual units at installation. NOTE: Combustible material should not cover the face. Refer to installation manual for detailed specifications on installing this product. Hearth & Home Technologies® reserves the right to update units periodically. Actual product appearance, including flame, may differ from product images.

Quote and Installation Considerations

- Must order front and surround to complete installation
- Round and square LINK kits for venting
- Venting size 3" x 3"; minimum 10'/maximum 50' vent runs
- No clearance requirements for hearth
- Rear leveling legs are accessible from the front of the unit
